

Tomb of the Unknown Soldier – November 2021

The speaker at the Smithville Historical Society's annual meeting on November 7, 2021, was Vicky House. Vicky serves as municipal historian for the village and town of Oxford.

Vicky presented a powerful and poignant program on the history of the Tomb of the Unknown Soldier, this being its 100th anniversary year. Her PowerPoint program included photographs as well as an original film clip.

Along with members of the Smithville Historical Society, we were pleased to welcome guests from Oxford.
