

# THE SMITHVILLE HISTORICAL SOCIETY

is pleased to present

## The Loomis Gang Of Nine Mile Swamp

DATE: Sunday, November 12, 2023

TIME: 2 pm

PLACE: Smithville Community Center  
5285 State Hwy 41

Vicky House, Oxford Town/Village Historian, will share her PowerPoint presentation on the “Gang” that dominated upstate New York for almost 100 years. From counterfeiting, horse stealing, witness intimidation and even murder, this family reigned over the countryside and left their mark in our history.

Whether or not you are a descendant of the Loomis family, you will want to hear what started their reign and how it ended.

The Smithville Historical Society will hold a brief business meeting and the presentation will follow.

Refreshments will be served. And as always, these presentations are free.
